4. The legal argument supporting the relief requested are:

The Summons are regarding William D. Paul (Only) and IRS (United States Of America) said the same. Bishop WILLIAM D. PAUL (Only) Petitioner, v. UNITED STATES OF AMERICA, Respondent, Case Civil Action No.: 2.: 02:07mc3367-MHT has been heard before in the district court of the United States for the middle district of Alabama northern division by Judge Myron H. Thompson on June 14, 2007 at 10:00 a.m. at the Frank M. Johnson , Jr. United States Courthouse Complex, Courtroom 2FMJ. **The respondent initiated a Motion to Dismiss and William D. Paul (Only) agreed. The judgment granted in United State District Court per Judge Myron H. Thompson, by agreement of the parties made in open court on June 14, 2007, reason being (See Exhibits):**

1. The petitioner(William D. Paul, Only) initiated the proceedings by filing a Petition to Quash on June 5, 2007.
2. Since the filing of the petitioner's (William D. Paul, Only) motion, the respondent has determined not to pursue enforcement of the summonses, as issued, in this matter.

3. As the respondent will not seek enforcement of the summonses, as issued, their no longer exists a case or controversy between the parties(IRS and William D. Paul, Only) that can, or need be, resolved by the Court.

5. Petitioner Bishop William D. Paul is an agent of the Church on the Road, Inc. He has taken the vow of poverty for the past 24 years, which was prior to his marriage in 2002. He was a homeless Vietnam Era Veteran and suffers with Post Traumatic Stress Disorder. He has never obtained any assistance from the government which he proudly volunteered and served. He also served with honor and still serves his country by providing a voice in America for homeless veterans.

6. Petitioner Bishop William D. Paul, has asked and begged IRS agents at all levels, over several years to help him understand what he is doing wrong within the laws of the United States of America and the teachings of Jesus Christ that constitutes the need for a Criminal Investigation.

7. On November 9, 2007, a few days before Veterans Day, Special Agent Mark Mire stated that his job was to "put you (me) behind bars" (to be persecuted). I then asked him, "Are you Saved? Next, I said a prayer with both IRS agents stating that GOD's will be done.

8. Petitioner Bishop William D. Paul, objected to summons to Regions Bank regarding accounts 1-7 (See attachment). I was told by Regions Bank that William D. Paul does not have any checking accounts.

TAX-LIABILITY AND RELIGIOUS DISCRIMINATION

Bishop Paul is requesting a jury trial for clarification and to stop the harassment, religious persecution, irrevocable hardship and character assassination by the IRS. Reasons being:

- Bishop Paul is an agent with the **Church on the Road, Inc.** and has taken the vow of poverty. He has renounced all claims to his earnings since 1984. The earnings belong to the order and are not subject to tax liabilities. This is the same as the nuns and priests of the Catholic Church.

- A criminal investigation for tax liability purposes has never taken place with the nuns and priests of the Catholic Church who have taken the vow of poverty. The fact that Bishop Paul is being criminally investigated for tax liability is religious discrimination. One religion is being preferred over another which is contrary to the First Amendment of the Constitution and is a violation. See U.S. Supreme Court decision - *Everson vs. Board of Education*.

U.S. Supreme Court decision

In the U.S. Supreme Court decision considering the case of *Everson vs. Board of Education*, 330U.S. 203, 91, 2, 711, **the Court held that:**
“The establishment of religion’ of the First Amendment means at least this: Neither the State nor the Federal Government can set up a church. Neither can pass laws, which aid one religion, aid all religions, or prefer one religion to another. Neither can force nor influence a person to go to or to remain away from a church against his will or force him to profess entertaining or professing religious beliefs or disbeliefs, for the church attendance or non attendance.

- As the nuns and priests are not, **neither** is Bishop Paul a **tax payer** and thereby, has **no tax-liabilities**. This is according to:
 - Social Security Administration
 - IRS’ top officials with 1040 forms and Tax- exempt organizations
 - FICA
 - SEIC
 - Information in IRS 2006 publications: 557, 517, 17, 1023 application, and SS-4

See court Doc Attachments for copies.

1. Summons are illegal and irrelevant. There are no Tax Liabilities

To obtain enforcement of a summons, the IRS must demonstrate:

- (1) That the investigation will be conducted pursuant to a legitimate purpose.

Comment: There are no tax-liabilities and therefore no need to conduct an illegal criminal investigation. Petitioner is not a tax-payer.

- (2) That the inquiry will be relevant to that purpose.

Comment: The inquiry is irrelevant. The petitioner is not subject to income tax withholdings, social security and Medicare tax, nor SE tax according to IRS, 2006 PUBLICATION 517, VOW OF POVERTY PAGES 2, 3 AND 6.

Comment: The illegal criminal investigation is requesting information and obtaining financial records from various religious organizations and integrated auxiliaries that the petitioner has been assigned to work with by the religious order. See summons.

- (3) That the information sought is not already in the IRS' possession.

Comment: IRS already has the information sought based upon previous summons of records issued and obtained from banks and CPA firm of Bern, Butler, Capilouto and Massey. See summons issued on August 7, 2006 per Larry Ellis, IRS Special Agent in the matter of William D. Paul SSN: [REDACTED] These summons were for tax years 2001, 2002, 2003, 2004, 2005. See Civil Action No. 2:06mc3292-WKW. Final judgment was rendered on August 25, 2006. At that time, IRS pursued and obtained bank records and information from the aforementioned CPA firm and banks from which they are presently requesting records (Regions Bank, Compass Bank, AmSouth Bank, Peoples Bank and Trust Company).

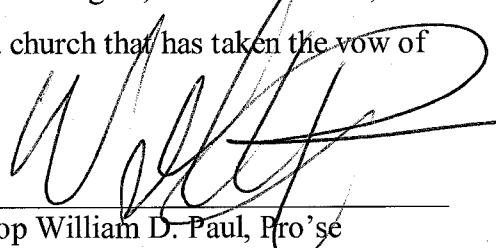

- (4) That it has taken the administrative steps necessary to the issuance of a summons.

Comments: Pursuant to 26 U.S.C. 7602(a) Refer to tax-payer. Bishop Paul is not a tax-payer and IRS has neither law nor authority to issue a summons to a religious order. Bishop Paul has taken the vow of poverty as an agent of a religious order,

renounced all claims to his earnings and his earnings belong to the order. IRS does not require filing tax returns of any kind for the religious order or activities. In addition, Bishop Paul is not subject to income tax withholding, social security and Medicare tax, or SE tax. See 2006 IRS Publication 557 and IRS 2006 PUBLICATION 517 VOW OF POVERTY: PAGES 2, 3 AND 6.

Since an illegal law is an unconstitutional law and is void, the general principles follow that IRS imposes no duties or tax liabilities, confers no rights, creates no office, and bestows no power or authority on anyone within a church that has taken the vow of poverty.

Over the past two decades, PDI has provided weekly and monthly, face-to-face, technical assistance seminars in more than 43 states. Our participants include faith-based, community-based, and veteran organizations such as American Legion, Veterans of Foreign War (VFW) and Disabled American Veterans (DAV).

Homeless Veterans Missing In America

WHO IS A VETERAN?

In general most organizations use the Department of Veterans Affairs (VA) eligibility criteria to determine which veterans can access services. Eligibility for VA Benefits is based upon discharge from active military service under other than dishonorable conditions. Benefits vary according to factors connected with type and length of military service.

WHAT IS THE DEFINITION OF HOMELESS?

PL 100-77 signed into law on July 22, 1987 known as the "McKinney Act" provided a definition of homelessness that is commonly used because it controls the federal funding streams.

Excerpt from PL 100-77: Sec. 11302. General definition of homeless individual

The term "Homeless" or "homeless individual or homeless person" includes:

- (1) An individual who lacks a fixed, regular, and adequate nighttime residence; and
- (2) An individual who has a primary nighttime residence that is:

A) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);

B) an institution that provides a temporary residence for individuals intended to be institutionalized; or

C) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

HOMELESS VETERANS?

To a certain degree, yes. According to the VA's 1997 report, in the years since it "began responding to the special needs of homeless veterans", its homeless treatment and assistance network has developed into the nation's largest provider of homeless services. This network serves more than 40, 000 veterans annually. With an estimated 500,000 veterans becoming homeless at some time during a year, the VA reaches less than 10% of those in need... leaving 460,000 veterans still without services.

Since 1987, VA's programs for homeless veterans have emphasized collaboration with community service providers.

What Services Do Veterans Need?

Veterans need a coordinated effort that provides secure housing and nutritional meals; essential physical health care; substance abuse aftercare; mental health

counseling; and personal development and empowerment. Veterans also need job assessment, training and placement assistance.

HOW MANY HOMELESS VETERANS ARE THERE?

Accurate numbers community-by-community are not available. Some communities do annual counts and others do an estimate based on a variety of factors.

The Urban Institute in conjunction with the National Survey of Homeless Assistance Providers and Clients (NSHAPC) performed a survey in 1996 which projected that: During a year, 2.3 - 3.5 million people are homeless in America. That would indicate by taking 23% of that range for veterans, that there are 529,000 - 840,000 homeless veterans over a year.
